May 27th, 28th, and 29th are the days of "The beautiful music and kisses" Festival organized by Rockit.it; the reference site for Italian music and also by the creative agency; Better Days

Our claim for 2022 MI AMI Festival is **"Human irrational, magical animal"**: the clarification of the desire to return to be part of a community, rediscovering the animal inside us through the party, investigating dreams and magic in opposition to the domination of the (dis) human. All shown vividly within the poster created by the young illustrator **Costanza Starrabba**.

This year MI AMI Festival features over 90 artists who will perform live on four different stages, a line up selection that celebrates stylistic diversity. As usual MI AMI Festival represents the place where to discover the contemporary music scene.

ARTISTS LINEUP

Lo Stato Sociale La Sad con Theo, Fiks e Plant; Gemello, Naska, Simone Panetti, Alan Sorrenti Ceri, Meg, La rappresentante di Lista Giorgio Poi, Iosonouncane, Venerus Dutch Nazari, De Leo, Mobrìci, Tutti Fenomeni, Ketama126, Pop X, Generic Animal. BigMama, BNKR44, Tredici Pietro, Novelo, Giuse The Lizia, Ibisco, glANMARIA, Assurdità, Studio Murena, 72-Hour Post Fight, Post Nebbia, Thru Collected, Marco Castello and Bartolini.

For the first time MI AMI Festival **will host international artists in the line up of the main stage on Sunday 29th of May selected by the festival Art Directors Carlo Pastore and Fiz with the collaboration of Nu Genea**. The collaboration known as **Nu Genea Invite** – will involve the Nu Genea band, headliner at the main stage in its full band performance, together with the parisian disco-pop band **L'Impératrice** and the Dutch band **Y'IN Y'IN**.

A restaurants and foodtrucks area will be set with also vegan and vegetarian options.

HOW TO REACH THE FESTIVAL AREA

You can reach the festival area by car or public transportation (Bus line 73 and night Ibus line 188) Free shuttle buses between via Azzurri d'Italia and Circolo Magnolia will be provided (please check our website to get more info)
